Reaching Our Goal, Changing Lives

We are holding our first
FOEBS meeting on
Thursday 24th September!

This is such an important
part of the school - the
FOEBS team have a really
positive impact on our
school by ensuring that they
raise vital funds.

This meeting will be our
strategy meeting for this
year and parents/carers will
be invited to the October
meeting.

It has been lovely to see the children return. The start of a new term can bring lots of changes, so we've been pleased to see the children settling back into school life and enjoying being together again!

The children are building positive relationships with the staff and getting to know the new routines. We're spending time talking through expectations, helping the children feel secure and confident, and encouraging them to ask questions when they need support. These familiar routines are helping everyone to know what happens during the day and what they can look forward to.

As I walk around the school, I see the children engaging in learning. There's a positive atmosphere in classrooms, with children joining in, exploring new ideas and developing their independence. It's been lovely to see them becoming more comfortable in their learning spaces and taking part in the activities on offer.

The older learners have begun their jacket potato shop, which always proves popular! This gives them the chance to practise a range of skills in a meaningful way, including communication, teamwork, making choices and handling money. It's also a great opportunity for them to take on responsibilities and work together as a team.

Thank you for your continued support as we begin the new term. The children have made a positive start, and we're looking forward to seeing their confidence and learning continue to grow over the coming weeks!

**MACMILLAN
CANCER SUPPORT**

We will be inviting parents into school on Friday 25th September for a coffee morning. We will have drinks and cakes in the main hall to fundraise for the charity Macmillan Cancer Support. Please join us from 9.45am until 10.45am!

Donations from thousands of Coffee Mornings, big and small, help raise vital funds to support the almost 3.5 million people in the UK living with cancer, from the moment they are diagnosed, throughout treatment and beyond.

We would be hugely grateful if you would be able to send in some cakes/biscuits for the event. If you are able to, please send any items in on Thursday 24th September. **Please ensure all items have an ingredients list included - for homemade items, please submit a written list which includes any allergens.**

Please let us know by Tuesday 22nd September if you are going to be able to attend by clicking on this link:
