Dear Parent/Carer,

Warmer Weather, Application of Sun Cream

As the weather is getting warmer, it is important that we keep the learners as comfortable as possible.

Please ensure that you **put sun protection on your son/daughter before they come into school, as well as sending in a sun hat**, which is clearly labelled with your learner's name, **and sufficient drinks for the day**.

It is advisable to also send in a bottle of sun cream, clearly labelled with your learner's name. If you would like staff to apply it during the day, **please complete the Application of Sun Cream permission form**.

Please note that we are unable to apply any sun cream that has not been sent in specifically for your son/daughter.

If at any time you wish to change your decision, please download a 'Withdrawal of Consent' form from the school website or they are also obtainable from the school office.

Kind regards,

Lisa Solvey
Deputy Headteacher
