Head's Update

Hello TEBS families!

It was lovely to see our learners back on Monday - I hope that you all had a nice half term break!

We have been looking at the environment this week as it was World Environment Day on Monday. The theme this year was beating plastic pollution.

We have been planning our Arts Week (dates on the second page) and will be thinking of recycling as part of that. We will be inviting parents/carers in again to see their learners engaging in creative arts activities!

We have also been planning our Leavers' Ball. Tickets will go on sale next week, but leavers and their families will be free. The Ball will take place on Friday 14th July from 7.00pm – 10.00pm.

Next Friday is the non-school uniform day for Cancer Research, which has been organized by U7. Learners and staff are encouraged to wear the colours of the charity, which are pink, purple and blue. Suggested voluntary donation is £1.00.

We have a busy and fun half term ahead, so I thought I would let you know the dates in advance.

Have a lovely weekend.

Kind regards,

Maggie

Class Teacher Tracy says...

We have had a fantastic week in U6!

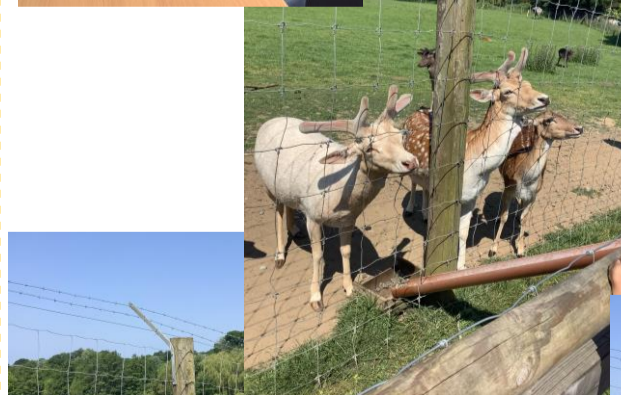

We have been looking at space and in particular, the space landing in 1969. It was put to a class vote of which learners would like to travel to the moon –

surprisingly most refused, preferring to go to Spain 😊

Some learners cooked spaghetti bolognaise in Food Technology, whilst others chose to cook bacon and cheese turnovers - both went down a treat!

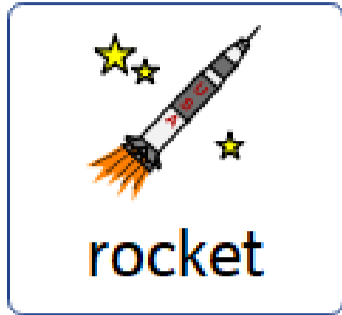

On Thursday, we visited South Weald Park, where we got to feed the deers and have a walk around the lake.
